500 years on from the 95 Theses

The Reformation is said to have started 500 years ago this month, because it was on 31st October 1517 – now celebrated as Reformation Day – that German priest and theologian Martin Luther posted his 95 Theses on the door of All Saints' Church in Wittenberg.

This action sparked huge debate in the Church that led to the birth of Protestantism, but it was intended merely to be a series of proposals for discussion, principally on the corrupt practice of selling letters of indulgence for forgiveness of sins. His own emphasis on salvation by faith and on the Bible as the central religious authority was not new – it was propounded by St Augustine – but his gift for expressing it caught the public imagination.

Luther was born in Eisleben, Germany, in 1483. In 1501 he enrolled at the University of Erfurt, and attained a Master's degree in 1505. In July of that year, he got caught in a violent thunderstorm and vowed to become a monk if he survived. As a result, he abandoned his plans to study law and entered an Augustinian monastery.

When he propounded his theses 'out of love for the truth and from desire to elucidate it', he was professor of Moral Theology at the University of Wittenberg. One of the things that outraged him was the sale of indulgences to finance the rebuilding of St Peter's Basilica in Rome.

Luther was excommunicated in 1521 and died in 1546 during a visit to Eisleben. The Book of Common Prayer was first published in England three years later.

From the Rector...

I was sitting in a coffee shop recently, when I overheard two men having a conversation about gold cuff-links. (I wasn't trying to listen to what the men were saying, but they were speaking loudly!) One of the men said his father had given him the cuff-links when he was six years old.

During the conversation, they discussed whether the cuff-links were nine carat gold or eighteen carat gold. They talked about how the price of gold fluctuates and the impact that would have on what the cuff-links were worth.

One of the great truths of scripture is that our value and worth doesn't fluctuate in God's sight. He loves each one of us, as if we were the only person on the earth. His love for us is pure and perfect. He declares His love for people, for individuals in His Word – the Bible; and he demonstrates His love through the coming of the Son of God into the world and through His death and resurrection - that's how much God thinks you are worth!

So please remember you are loved by God, even in the changes and challenges of life. This harvest season is a further reminder of God's love and care; He continues to fulfil His promise, that while the earth remains seedtime and harvest shall not cease. (Genesis 8:22)

Pray for favourable weather so that crops can be harvested, pray for those whose crops have failed and for those who are unable to harvest their crops because of fear or because they are displaced from their homes. Pray too, that out of the abundance of the earth's resources, the needs of all people will be provided.

Pray that we and others will really recognise our value and worth to God, that we and others will recognise the reality of God's love and care for us. As we and others recognise these things, may we respond to God's love. In choosing to follow Jesus, in choosing to put our trust in Jesus as our Saviour and in choosing to be obedient to Him, may we know God rather than just know about Him.

In knowing Him, may we know the presence and power of the Holy Spirit in our lives. In knowing Him, may we know our true value and worth and reach our full potential in Him and for Him. In knowing Him, may our desire be to make him known, so that others can know their true value and worth and come to living faith in Jesus as their Saviour and Lord.

Does God

Vestry Report

Help Us Grow Leaflets - Leaflets prepared and approved by the Select Vestry are being distributed with this magazine. The leaflet provides information about

- the annual cost of facilitating the ongoing life and work of the parish
- repairs and restoration work to parish property in recent years
- our desire to develop the ministry of the church as we look to the future
- further repairs and restoration work
- ways in which you can help us grow

A Parish Record Up-date Form has also been included. We ask parishioners to complete the form and return it - having up-to-date contact details is vitally important. Thank you in anticipation for your cooperation.

The Select Vestry would like every household on the parish register to receive a parish magazine. (either a hardcopy or electronically) If you know of anyone who does not receive a magazine, but would like to, please contact the Parish Office.

Holy Trinity Church - Three areas are now available in Holy Trinity Church where those who attend church in wheelchairs have the opportunity to sit with family and/or friends. These areas are a very important addition to our Church layout and design.

Following moisture readings by the Diocesan architect, it is hoped that the areas where the paint is flaking can be repaired and the area repainted in the coming months.

A new feature has been added to the projection system in the church. This allows images from the computer and the camera to be on the screens simultaneously – a picture within a picture. A new projector and screen have been fitted at the rear of the Church.

Grenfell Tower - Thank you to all those who contributed to our recent appeal for survivors of the Grenfell Tower disaster. The sum of £250 has been forwarded to Kensington & Chelsea Foundation.

Baby Basics – Thank you

Over the last month we have provided four Baby Basics boxes to new mums and their babies. We have been told they are delighted to receive them.

Thank you so much for all that people have provided so far. We now need to replenish items for further boxes. Information about what is required is on the Sign-Up sheets in the Church. We request that people only provide what they sign up to provide and only items on the list in the Church.

Referrals for Baby Basic Boxes are made through Healthcare professionals, primarily through the Community Midwives here in Banbridge.

Thank you to the team of ladies who assist with this wonderful project. Please pray for the families we are assisting in our community and for the midwives as they go about their work.

Pray that as these boxes bless families they will be aware of God's love, care and provision for them.

Matthew's mission trip to Uganda

On the 7th August, I returned to New Beginnings village in Uganda with a team of 18 other individuals. As part of our two week trip, we were involved in manual work such as painting all the children's houses in the village as well as building an outreach house for a family in the surrounding community. We also provided the children with numerous activities such as crafts, games and evening devotions. It was a great privilege to return and receive the love and joy from the children and staff.

I would like to say a massive thank you to everyone who has supported me in the past two years, through sponsorship, donating clothes and materials, as well as praying for myself and the team. New Beginnings is one of many charities in Uganda striving to change the lives of some of the most vulnerable children in. Its work is invaluable and all your support is sincerely appreciated. Thank you.

Ulster Project Delaware

In July, four young people from the parish and other young people from Banbridge and the leaders of the group went to Delaware USA. Ulster Project Delaware is a cross community initiative designed to help young people foster positive relationships. The young people stayed with American host families, they participated in a range of team building and leadership activities, and had opportunities to experience aspects of American life and culture.

"Where do I start with UPD? Honestly it was the best summer ever, and I would happily do it all over again. During the month, I made so many new friends that I will treasure forever. I also gained a new family, my UPD one and my Moore family! During all the fun travels and activities, we learned we are all the same in God's eyes. I would go back in a heartbeat and I am counting down the days to see my UPD family again!" -

Nadia Ewart

"UPD was the best summer of my life. The program was developed to help build relationships between young people of different backgrounds and it has certainly got close to achieving its goals. I've made so many new and amazing friends that I will keep throughout life. We travelled to many places and took part in many activities all helping us become a family. That was what we became, I now have an American sister and family that I love dearly and I miss. I would do it all again in a heartbeat!" - **Sophie MacFarlane**

"During the month of July, myself, Sophie, Nadia and Katie participated in the program Ulster Project Delaware, where we stayed with American host families in Wilmington, Delaware. The aim of UPD is to decrease religious tensions in Northern Ireland, but also to foster lifelong friendships between teenagers from different countries and religious backgrounds.

For me, the experience was life changing and I never thought the friendships I would make would be this special and unique. It opened my eyes to different religions and ways of life and helped me see things from a different perspective. It also showed me that the strongest of relationships don't take long to build and those relationships can last a lifetime." - **Emilia Moore**

Ezekiel the prophet had a special dream from God. In his dream he stood in the middle of a **valley full** of a **great** many **bones**. God made him **walk** around them, then God said;

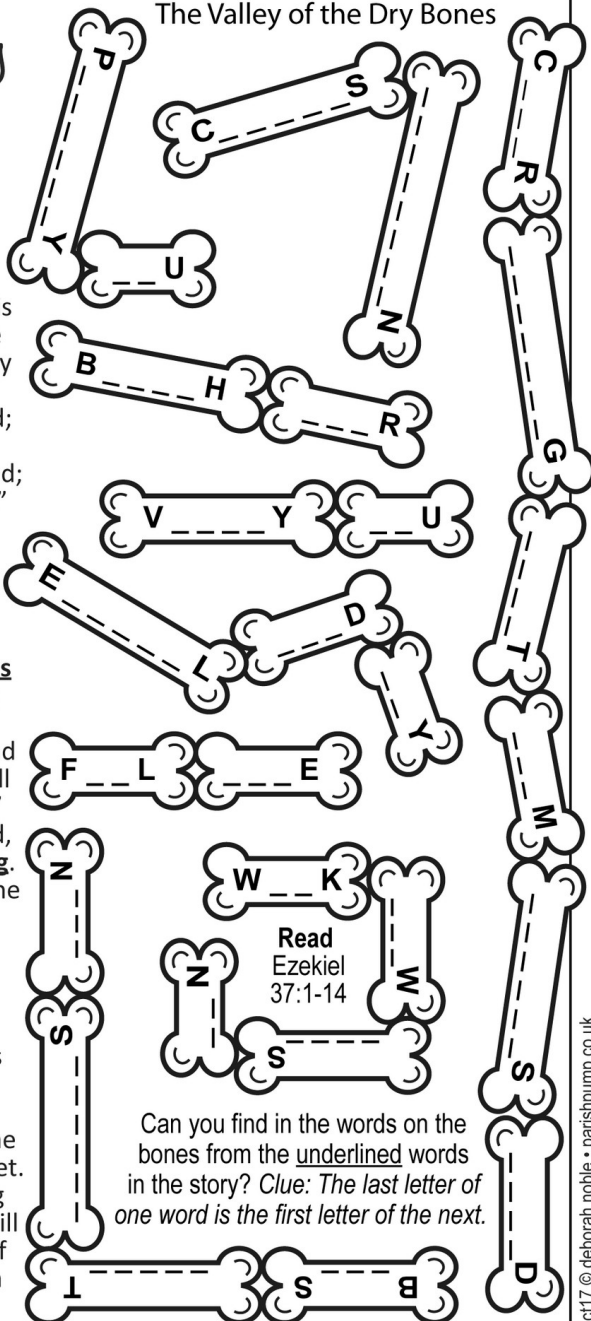

"**Son** of man, can these bones **live**?" Ezekiel replied; "**Sovereign Lord**, you know."

God told Ezekiel to **prophesy** over the bones, to tell **them**; "**Dry** bones, **hear** the word of the Lord, I am about to put **breath** into **you** and you will live. I will put **tendons** on you and **muscles** over you and **cover** you with **skin**.

I will put breath in you and you will live. Then **you** will **know** that I am the Lord." So Ezekiel did as God had said, he heard the **sound** of **rattling**. The bones came together bone to bone, then tendons and muscles and skin appeared on them. God told Ezekiel to say to the breath; "Come, breath, from the four **winds** and breathe on these corpses so that they may live."

Ezekiel spoke what God had told him and the **corpses** came alive and stood on their feet. God explained the meaning of the dream and said; "I will put my **Spirit** in the people of Israel and they will know I am the Lord and they will live."
